

Human Resources Made Simple

NOT SURE IF YOU'RE PROTECTED?

We ensure your HR policies, employment agreements, and government-mandated training are in compliance and up-to-date. Whatever your HR issue might be we have you covered. Take a brief Survey below to see if you're protected:

DO YOU HAVE POLICIES & TRAINING FOR THE FOLLOWING?

- Worker Health & Safety Awareness
- Workplace Harassment & Violence Prevention
- Accessibility (AODA – Accessibility for Ontarians Disability Act)
- WHMIS (Workplace Hazardous Materials Information System)

As an Employer in Ontario, you must have written policies to address the four areas above (at a minimum) and you must provide employees with training to confirm their understanding of these requirements. We offer a complete package of policies and training solutions to cover these areas, in addition to best practices tailored to your organization.
